ADD A CANOPY TO ANY ELITE

CANOPY OPTIONS.

Three canopy configurations available, each priced differently. Choose the coverage that suits how you'll use the space.

FULL RETURN

Wrap-around shelter, three sides covered. Most enclosed of the three.

HALF RETURN

One side plus the front. Sheltered without fully enclosing.

STANDARD OPEN

Pillared open canopy. Maximum view, minimum frame.

WORCESTERSHIRE GARDEN BUILDINGS

MOST POPULAR

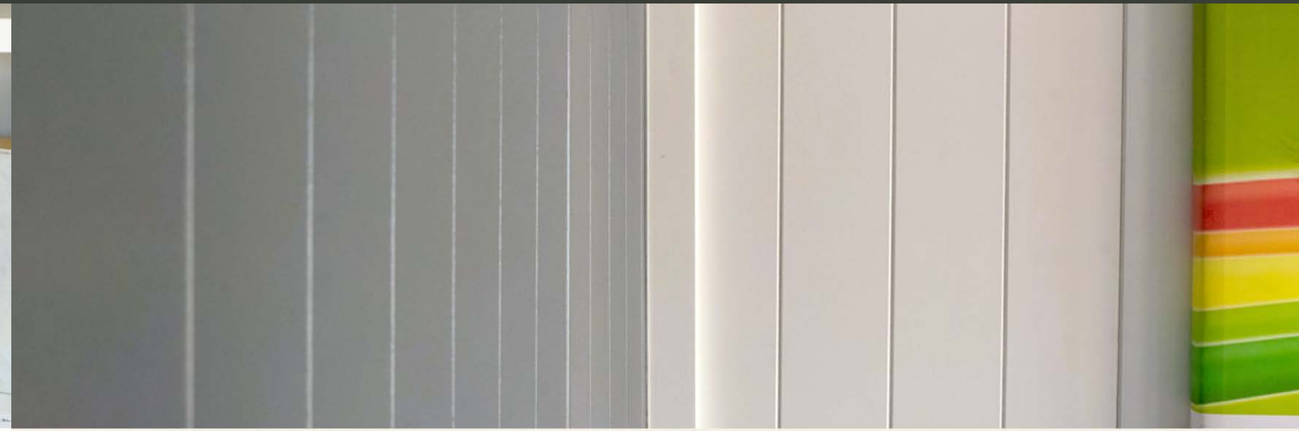

COMPOSITE.

Rot, split, warp, fade and stain resistant. Made from 95% recycled materials, engineered so water ingress is impossible.

The boards are fixed with bespoke corner and joining strips that keep the join lines invisible from the outside, giving a seamless, high-end finish that lasts.

- Rot, split, warp, fade & stain resistant
- Made from 95% recycled materials
- Water ingress impossible
- 25-year composite warranty
- Zero maintenance

WORCESTERSHIRE GARDEN BUILDINGS

SIX COLOUR OPTIONS

COLOUR & DETAIL.

Six curated colours from soft light greys through to deep charcoal blacks and natural timber tones.

Each board is 45% recycled plastic and 50% recycled timber, engineered together for a dense, weatherproof board that keeps its colour and shape year after year

Why Choose Worcestershire Garden Buildings?

At Worcestershire Garden Buildings we understand that choosing the right garden building is a significant investment. That's why we've created one of the Midlands' largest show sites, where you can compare over 70 premium buildings in one convenient location before making your decision.

Whether you're looking for a contemporary garden room, a fully insulated home office, a luxury summerhouse, a practical shed, a greenhouse or a complete garden annexe, our experienced team will help you find the perfect solution for your home, lifestyle and budget.

Unlike many suppliers, we offer a complete turnkey service. From initial advice and design through to groundworks, electrical installation, lighting and air conditioning, we manage every stage of your project with care and attention to detail. We work with some of Britain's leading manufacturers to provide high-quality garden buildings that are built to last, giving you confidence that your investment will provide many years of enjoyment.

Visit Our Show Site

Nothing compares to seeing a garden building in person. Our Worcestershire show site features more than 70 display buildings, allowing you to compare styles before you buy.

Our friendly team is always on hand to answer your questions, offer expert advice and help you choose the right solution, whether you're creating an office, hobby room, gym, studio or extra living space.

Discover why customers across Worcestershire and the Midlands choose Worcestershire Garden Buildings for quality, service, choice and value. No appointment is necessary - simply call in and explore one of the largest displays of premium garden buildings in the Midlands.
